Charlie Boschen focuses in on members of the school chorus

The Beverly High School music department put on its highly anticipated yearly Winter Concert on December 18. The show featured various iterations of full band numbers, jazz groups and choral performances. Students from the media department assisted BevCam in crewing the taping.

For another year, under the direction of Robert Dokes, a dedicated group of volunteers has been crewing live home broadcasts of boys and girls basketball games. Thanks especially to Eric Campbell, Andy Williamson, Alex Salucco and Mark Layman.

City Councilors and School Committee members listen attentively

BevCam again taped the annual joint City Council / School Committee meeting held on December 2 in the Beverly High School library.

New producer Miriam Cyr taped some unique ghost sequences using BevCam's green screen for an upcoming theater production.
