BHS media students crew Mr. Gallagher's latest "School House Talk" show

Beverly High School principal Sean Gallagher continues to tape the series "School House Talk". Students from the BHS media classes crew the shows, which feature interviews with news-makers from around the school district.

The Beverly Council on Aging taped a holiday-themed Public Service Announcement promoting seasonal events at the center. Theresa Cook and Devyn Collins assisted Bob Hobbs with appropriate wardrobe details in getting into just the right mood.

On December 17, BevCam taped the annual Winter Concert in the BHS auditorium. As usual, under the direction of Adam Costa and Lyn Pilanen, the event featured holiday musical numbers by the BHS Band and Chorus.

BevCam set up its cameras at the Cabot Theater to tape a concert by Emmy and Academy award-winning Motown star Darlene Love. The sold-out event brought back memories of the 60's to all those period rockers in attendance.

Andi Freedman and co-host Albert Escola on the set of "Popcorn & Twizzlers"

Regular volunteer, host and producer Andi Freedman has begun producing another series called "Popcorn & Twizzlers", a movie review show. Her co-host is exchange student Albert Escola. Incidentally, this is the first movie review show produced at BevCam.

As has been the custom for the last 12 years, BevCam set up its cameras in front of City Hall to broadcast the Annual Holiday Parade "live". Al Temkin and Andi freedman shared co-host duties again this year.
